

个人信息 Personal Information

Name : Jiang Xuqi Gender : Male
D.O.B. : Feb 2006 Country: China

教育 Education

Peking University, Preparatory Program Feb 2024 – Sep 2024
• School of Physics, Physics
• **Core Courses:** Statistical Physics (95+), Methods of Mathematical Physics (95+), etc.
• **GPA:** 3.87 / 4.00

Peking University, B.S. Sep 2024 – Present
• Yuanpei College, Top-Talent Program in CS, Computer Science and Technology
• **Core Courses:** Foundations of AI (95+), Linear Algebra A (95+), Advanced Mathematics A (95+), etc.
• **GPA:** 3.93 / 4.00

项目经验 Project Experience

School of Physics Undergraduate Project Training (CUPT) Nov 2024 – Jun 2025
• **Team Leader** Completed
• Organized a team of 8 for the School of Physics CUPT competition; managed team logistics and won "Best Individual" award.

Yuanpei College Smart College System Development Dec 2024 – Present
• **Developer** Ongoing
• Maintaining the Yuanpei College basement management system, handling daily issues, and implementing new features.

荣誉 & 职务 Honors & Appointments

- National Scholarship
- Peking University "Merit Student"
- Gold Medal (12th Place), China Physics Olympiad (CPhO)
- Best Individual Award, PKU School of Physics CUPT
- Peking University Freshman Scholarship (Third Prize)

技能 Skills

- Proficient in programming languages: Python, C++, Mathematica, JavaScript.
- Familiar with development on Linux.
- Familiar with deep learning frameworks, e.g., PyTorch.
- Familiar with web development frameworks, e.g., Django, React.
- Basic knowledge of SQL databases and Docker containerization.

兴趣 Interests

- Hiking
- Science Popularization
- Modern Literature
